

## Plant Science

Paper ID	Article	Institute	Award
IUCA-F-P035	GROWTH, YIELD AND QUALITY OF THREE VARIETIES OF MELON IN THE APPLICATION OF SOME TYPES OF LOCAL MICROORGANISM (MOL)	University of Bengkulu/ Indonesia	The best of the best
IUCA-A-P077	"Screening of Microorganisms for Plant Growth Promoting Activity of Hom Gra Dang Ngah Rice'	Prince of Songkla University/Thailand	Gold
IUCA-A-P013	$\alpha$ -Glucosidase Enzyme Inhibition Activity and Organoleptic Test from the Combination of Black Tea, Turmeric, and Ginger Extract by In Vitro	IPB University/Indonesia	Silver
IUCA-A-P022	Baferpott (Biofiberpott) As An Alternative Plant Container Utilization Of Coconut Fruit ( <i>Cocos Nucifera</i> )	University of Bengkulu/ Indonesia	Silver
IUCA-A-P023	EFFECT OF TYPES AND DOSAGE OF ORGANIC FERTILIZERS FOR GROWTH, GREEN MUSTARD YIELD	University of Bengkulu/ Indonesia	Silver
IUCA-A-P024	Effects of Sweet Corn variety and Dosages of Vermicompost of Growth and	University of Bengkulu/	Silver

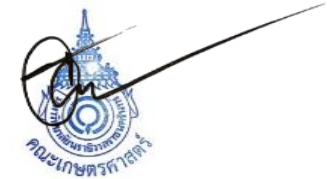

## THE 1<sup>st</sup> INTERNATIONAL UNDERGRADUATE CONFERENCE ON AGRICULTURE & LIFE SCIENCE

Paper ID	Article	Institute	Award
	Yield of Sweet Corn	Indonesia	
IUCA-A-P028	Charakterization Genetic Variability and Heritability of Thirteen Genotypes Vinca ( <i>Chataranthus roseus</i> )	University of Bengkulu/ Indonesia	Silver
IUCA-A-P074	Pollen spectrum, Pollen diversity and pollen ingestion of Stingless bee at stingless bee center in Saiburi, Pattani province	Yala Rajabhat University/ Thailand	Silver
IUCA-F-P079	Mode Of Actions and Pathogenicity of 11 Endophytic Fungi on <i>Fusarium oxysporum</i>	University of Bengkulu/ Indonesia	Silver
IUCA-A-P087	Chemical Sterilization of Culture Media used for Shoots Multiplication of Bamboo ( <i>Dendrocalamus sericeu</i> )	Princess of Naradhiwas University/Thailand	Silver
IUCA-A-P073	The Lettuce Growth Using Residue Mushroom as Substrates	Princess of Naradhiwas University/Thailand	Silver
IUCA-A-P090	Effect of Different Media Ratio for the Growth and the Yield of <i>Hericium erinaceus</i>	Princess of Naradhiwas University/Thailand	Silver

## THE 1<sup>st</sup> INTERNATIONAL UNDERGRADUATE CONFERENCE ON AGRICULTURE & LIFE SCIENCE

Paper ID	Article	Institute	Award
IUCA-A-P021	Ginger as an immune booster during a pandemic by utilizing the yard	University of Bengkulu/ Indonesia	Bronze
IUCA-A-P003	Synthetic Fertilizer Subtitution Using Thitonia Compost For Sweet Corn Production In A Dryland Environment	University Of Bengkulu/ Indonisia	Bronze

Asst. Prof. Dr. Jakkhaphan Pitchayapipatkul  
Dean, Faculty of Agriculture  
Princess of Naradhiwas University
